Sir,

On behalf of the "Baliya Community" I beg to bring the following facts for your kind consideration and favourable orders.

The Baliya community comprise a population of about 400 members in the Tiptur Municipality which deserve special consideration at the hand of the benign Government being a backward community.

For the past 15 years in every Municipal election, this community was putting forward a candidate and got elected but unfortunately this year on account of the machinations of the more influential and richer groups, the Baliya candidate was defeated at the recent election held on 1st Dec. 1946.

This community now stand unrepresented although form a good part of the population and no one to look after and safeguard their interests. It is but proper that it should have at least one member in the Municipal Council, being a backward community as well as on its numerical strength.

I am a leading member of the community and am urged by my people to approach the Government for my nomination to the Municipal Council. I am a merchant paying Mohatarfa Rs. 25/- and a Voter of No. ... in Voters list of III Division.

It is respectfully requested that in the interests of justice the benign Government be pleased to nominate me to the Tiptur Municipal Council.

The Baliya Community of Tiptur will ever remain grateful for your act of kindness.

Sir,

On behalf of the 'Kurubara Community' in Tiptur
I beg to bring the following facts for your kind
consideration and favourable orders.

The members of the Kurubara Community within
the limits of the Tiptur Municipality are alone 800
in number and they constitute about 10% of the total
population of the Municipality. It is a matter of
common knowledge that this community is a backward
community deserving special consideration at the
hands of the benign Government. In every election
to the Municipal Council this community, because of
its strength and importance was successfully putting
forward a candidate of their own who invariably got
elected to the Municipality for the past 20 years.
But unfortunately this year, on account of the
machinations of the more influential and richer
groups, the Kurubara candidate was defeated at the
recent election held on 12th December 1946.

As the position now stands, this community,
although forming a good part of the population, goes
unrepresented in the Municipality and there will be
no one to look after and safeguard their interests.
A part from its numerical strength, being a backward
community, it is but proper that it should have at-
least one member in the Municipal Council.

As I happen to be the leading member of the
Community, I have been urged by my people to approach
the Government for my nomination to the Municipal
Council. I am a Merchant and I pay an Income-tax
of Rs 200/- per year. I also pay a Municipal tax of
Rs 50/- and a land revenue assessment of about Rs 150/-
and I am in the Voters' list of the V Division. My
name bears serial No. 104 in the list.

It is respectfully requested that, in the
interests of Justice, the benign Government be
pleased to nominate me to the Tiptur Municipal
Council.

The Kurubara Community of Tiptur will ever be
grateful to you for this act of kindness.

NOTE regarding the Nomination proposals of Tiptur Town Municipal Council to be reconstituted from 1st January 1947

Mr G S Chendrasekhariah belongs to the Brahmin community which is not represented. He had stood for election and he was not elected but among the candidates from Tiptur of the tha/- community I consider him best and ~~xxx~~ hence I recommend his name for nomination.

Mr Bhaskara Setty belongs to Vaisya Community which is not represented.

Mr Harijivan Das is a Gujarati gentleman and is a long settled resident in Tiptur and as such he is recommended.

Further I have recommended the case of Mr Pallagatti Adivappa for the reason that he held the Office of the President, Tiptur Municipal Council last time with distinction. He served the Municipal interest very well and though he belongs to the Lingayet community which is already represented I still think that his presence in the Municipal Council will be of immense help in the administration of Tiptur Municipality and hence his case may be considered.
